For the past eight years, WXDU has been providing the Duke and triangle community with the most aggressively progressive format on the radio dial. The music we play is eclectic, fresh and challenging. WXDU is dedicated to playing the best new alternative music from the local scene, from across the country, from around the globe.

WXDU Presents Live Music
WXDU sponsors a weekly concert series on Wednesday nights at Under the Street 1104 Broad St. in Durham, just three blocks off East Campus featuring the hottest bands from N.C.'s ever dynamic music scene as well as some prominent touring bands. Doors open at 9:30; cover always a bargain.

You can keep up with other music happenings in the Triangle by listening to XDU's concert calendar at 12:30, 4:30, and 8:30pm. Also listen for chances to win tickets to concerts and other goodies.
